

NO PETS ALLOWED POLICY AGREEMENT
Must be signed and returned with your vendor agreement.

It has come to our attention that there have been some issues with non-service dogs/pets on-site during our festival, specifically pets brought in by vendors. We have a 'NO PET POLICY' statement within our Vendor Agreement that is signed off on by all vendors. Since we are still seeing an issue with this, we must reiterate that the Blue Ox Music Festival does NOT allow pets/dogs anywhere within the festival or campgrounds.

We are dog owners ourselves and although we trust our own pets, we do not bring them on site when having a festival since animals and people can be unpredictable. If a child or attendees were to get hurt, the liability is on us.

For the safety of your pet and other festival attendees, please **DO NOT** bring your pet(s) to the Blue Ox Music Festival.

If you would like to vend at our festival, then you **MUST** sign off on this agreement. By signing this agreement, you acknowledge and will abide by our NO PET POLICY. If we find any vendor on-site with a pet/dog, then you will be asked to leave the grounds with no refund and may not be welcomed back to vend the following year.

This agreement must be signed no later than **April 30th, 2023** so that we have time to contact a replacement vendor if you are unable to abide by this rule. Any vendor who does not sign and return this slip before the stated date, will automatically receive a full refund for their booth space. Your spot will then be offered to one of the 10 vendors currently on our waitlist eagerly waiting to be contacted to vend at Blue Ox 2023.
